

**Electronics Thermal Week 2012**  
***Semiconductor Thermal Measurement,***  
***Modeling and Management Symposium***  
***MEPTEC “Heat is On” Symposium***  
***March 18-22, 2012***  
***Doubletree Hotel, San Jose, CA USA***

**Special Offer Parking Sponsorship**

A special offer is available for a Parking Sponsorship for Electronics Thermal Week. This sponsorship is being offered to one company or organization to support parking fees for our afternoon free events including Exhibits, Receptions, Evening Tutorial and Academic/Industry Capability panel.

The sponsor will be the exclusive parking validation source for three days starting Monday afternoon and ending Wednesday. Only the sponsor will have the validation instrument and attendees will be required to fill out a short form with name and contact information to receive validation.

In addition to the contact information, we will provide signage and other collateral highlighting the Parking Sponsor prominently at SEMI-THERM and MEPTEC events.

The fee is \$8.00 per validation up to a maximum of \$3,000

To take advantage of this special sponsorship opportunity contact:
